Overview

- 09:30 - 09:45 - Welcome
- 09:45 - 10:30 - From reproducibility to interactivity
- 10:30 - 10:40 - Break
- 10:40 - 11:40 - Building user interfaces
- 11:40 - 11:50 - Break
- 11:50 - 12:30 - Reactive programming
- Lots of info!
- Lots of “your turn” breaks

Communication

Choose any method that you prefer:

- Put questions in the chat as they come up
- Type "hand" in the chat if you'd rather not type up your question
- Use the "raise your hand" function
